

The screenshot shows a navigation menu on the left with the following items: Home, Change Program, My Submissions, All (4), Needs Attention (2) (circled in red), Complete (2), My Profile, and Log Out. A red arrow points from the 'Needs Attention (2)' item to a table titled 'Needs Attention' on the right. The table has columns for #, Title, Program, and Action. It contains two rows: the first row has ID 26127 and an 'Open' button (circled in red); the second row has ID 26141 and an 'Open' button (circled in red).

Clicking 'No' and then selecting "Save and Finalize" will withdraw your paper from the conference.

The screenshot shows a 'Speaker Release' form. The question is 'Do you want to participate in the virtual conference? *'. There are two radio button options: 'Yes' and 'No'. The 'No' option is selected. Below the question is a horizontal bar. At the bottom of the form are three buttons: 'Prev', 'Save', and 'Save and Finalize'. The 'Save and Finalize' button is circled in red, and a blue arrow points from the text above to it.

REINSTATING A PAPER

Requests for reinstating a paper will be handled on a case-by-case basis and is at the sole discretion of ASME staff.

We will do our best to help, but as conference processing progresses it becomes more difficult and often will incur charges for a removed submission to be reinstated. Often publication requirements and deadlines are not within our direct ability to adjust so usually we are simply unable to accommodate requests for paper reinstatement.
